

NVQ Level 3 Occupational Work Supervision

Is this course for me?

This NVQ Level 3 Occupational Work Supervision Diploma is aimed at Supervisors with responsibility for overseeing a team. In partnership with you and is tailored around your current commitments we can help you complete this in as little as four weeks. If you have sufficient experience, but do not have the required NVQ qualification to register for your CSCS card then this is for you.

The CSCS card has become a national safety & skills standard for individuals and companies within construction industry and in order for Construction Companies tendering for Government ,Local Authority and large developments they are required to certificate their workforce and fulfil the Governments aim to ensure all competent construction workers are held on the CSCS register with their relevant level of competency.

Course Details

Unlike most qualifications this one takes place mainly at work and can be completed in as little as four weeks.

- The process begins with a induction The process begins with a induction session to ascertain if this Level is relevant to you are registering onto and this is the right qualification
- Proof of experience, much of it in the form of work related documents and photographs, is collected in a e-portfolio -via Drop box
- An Assessor will review your e-portfolio of evidence with you, and carry out observations of you at work
- Your knowledge of your work role is captured through either written questions and answers, reflective accounts or a professional discussion with your Assessor.

Mandatory units include:

- Confirm work activities and resources;
- Develop and maintaining good working relationships;
- Confirm the occupational method of work;
- Implement and maintain health, safety and welfare;
- Coordinate and organise work operations.

Additional units are required and are dependent upon the qualification within this pathway that is best for the candidate.

- No other formal qualifications required only your knowledge and experience
- Can be achieved without attending college or taking any exams
- Can be achieved in a short period of time and around your commitments
- Provides pathway to apply for a Gold CSCS card
