

NVQ Level 5 Diploma in Health and Safety Practice

This new NVQ Level 5 Health and Safety Practice is specific to people who are actively involved in the practice or management of health and safety as part of their job. The Institution of Occupational Safety & Health (IOSH) accepts this qualification for membership at Graduate level (**Grad IOSH**). The International Institute of Risk and Safety Management (**IIRSM**) accept this qualification for full Member status (MIIRSM).

The NVQ Level 5 Health and Safety qualification is a highly practical programme, and one of our team of assessors will assist you to build a portfolio of work based evidence.

The NVQ Level 5 Health and Safety qualification is work based unlike the NEBOSH Diploma which is classroom based and involves the collection of evidence from your normal day to day activities. This will probably be individuals who have already acquired some experience and are able to influence the health and safety policy and practice of their organisation.

There are ten individual units that must be completed to obtain the NVQ Level 5

Health and Safety Practice:

Candidates can easily upload evidence into their secure and dedicated and secure Drop box account via their preferred email account to their PC/Smartphone with the link provided by Ability Qualifications following Induction and Registration.

Your assessor will remain in contact with you throughout and they will visit you at your place of work to observe you and give support. The NVQ Level 5 Health and Safety is principally a distance learning type approach with no need to attend specific dates.

There are no formal entry requirements for this qualification; however candidates must be in a role that allows them to collect the required evidence.

You will have an allocated assessor who will work with you to collect your portfolio of evidence. They will be your dedicated point of contact and will be there when you need them.

The qualification is flexible around your commitments and can be completed in a time period to suit you

On completion of the NVQ requirements, candidates will be awarded a Level 5 NVQ Diploma in Occupational Health and Safety Practice. A separate certificate will detail all individual units completed as part of the overall health and safety NVQ programme.
